TO TELL A STORY

To those who were not associated with Wofford College during the school year this book will unfold a new story. To those who were connected with the college, either as students or otherwise, it will re-create many of the pleasant experiences of the year.

In attempting to tell the story of life here at Wofford, it is necessary to seek the variety of influences and interests of the students, not merely in the classrooms and laboratories, but in the fraternity dances, the athletic events, the Saturday evening visits to Converse and Limestone and even in the eternal "bull-sessions" of the dormitories. These social and extra-curricular events often rate first priority in the memories of the individual.

For, after all, everything is not learned in the classroom. The great variety of activities each serve in their own way to broaden the character and personality of the individual.

The dormitory is a great democratic institution with its own means of education. Primarily, it teaches self-reliance and its privileges and duties imbue each with a fundamental understanding of the rights of others.

The primary purpose of college life is the attainment of that coveted degree, and with it the enrichment of life by a fuller understanding of the world and the people with whom we live.

All of this we have attempted to portray for you on the pages of this yearbook. It has been treated as it occurred, informally and un-rehearsed, but even so, it was a difficult task, one that could never be quite completed and certainly not on these few pages.

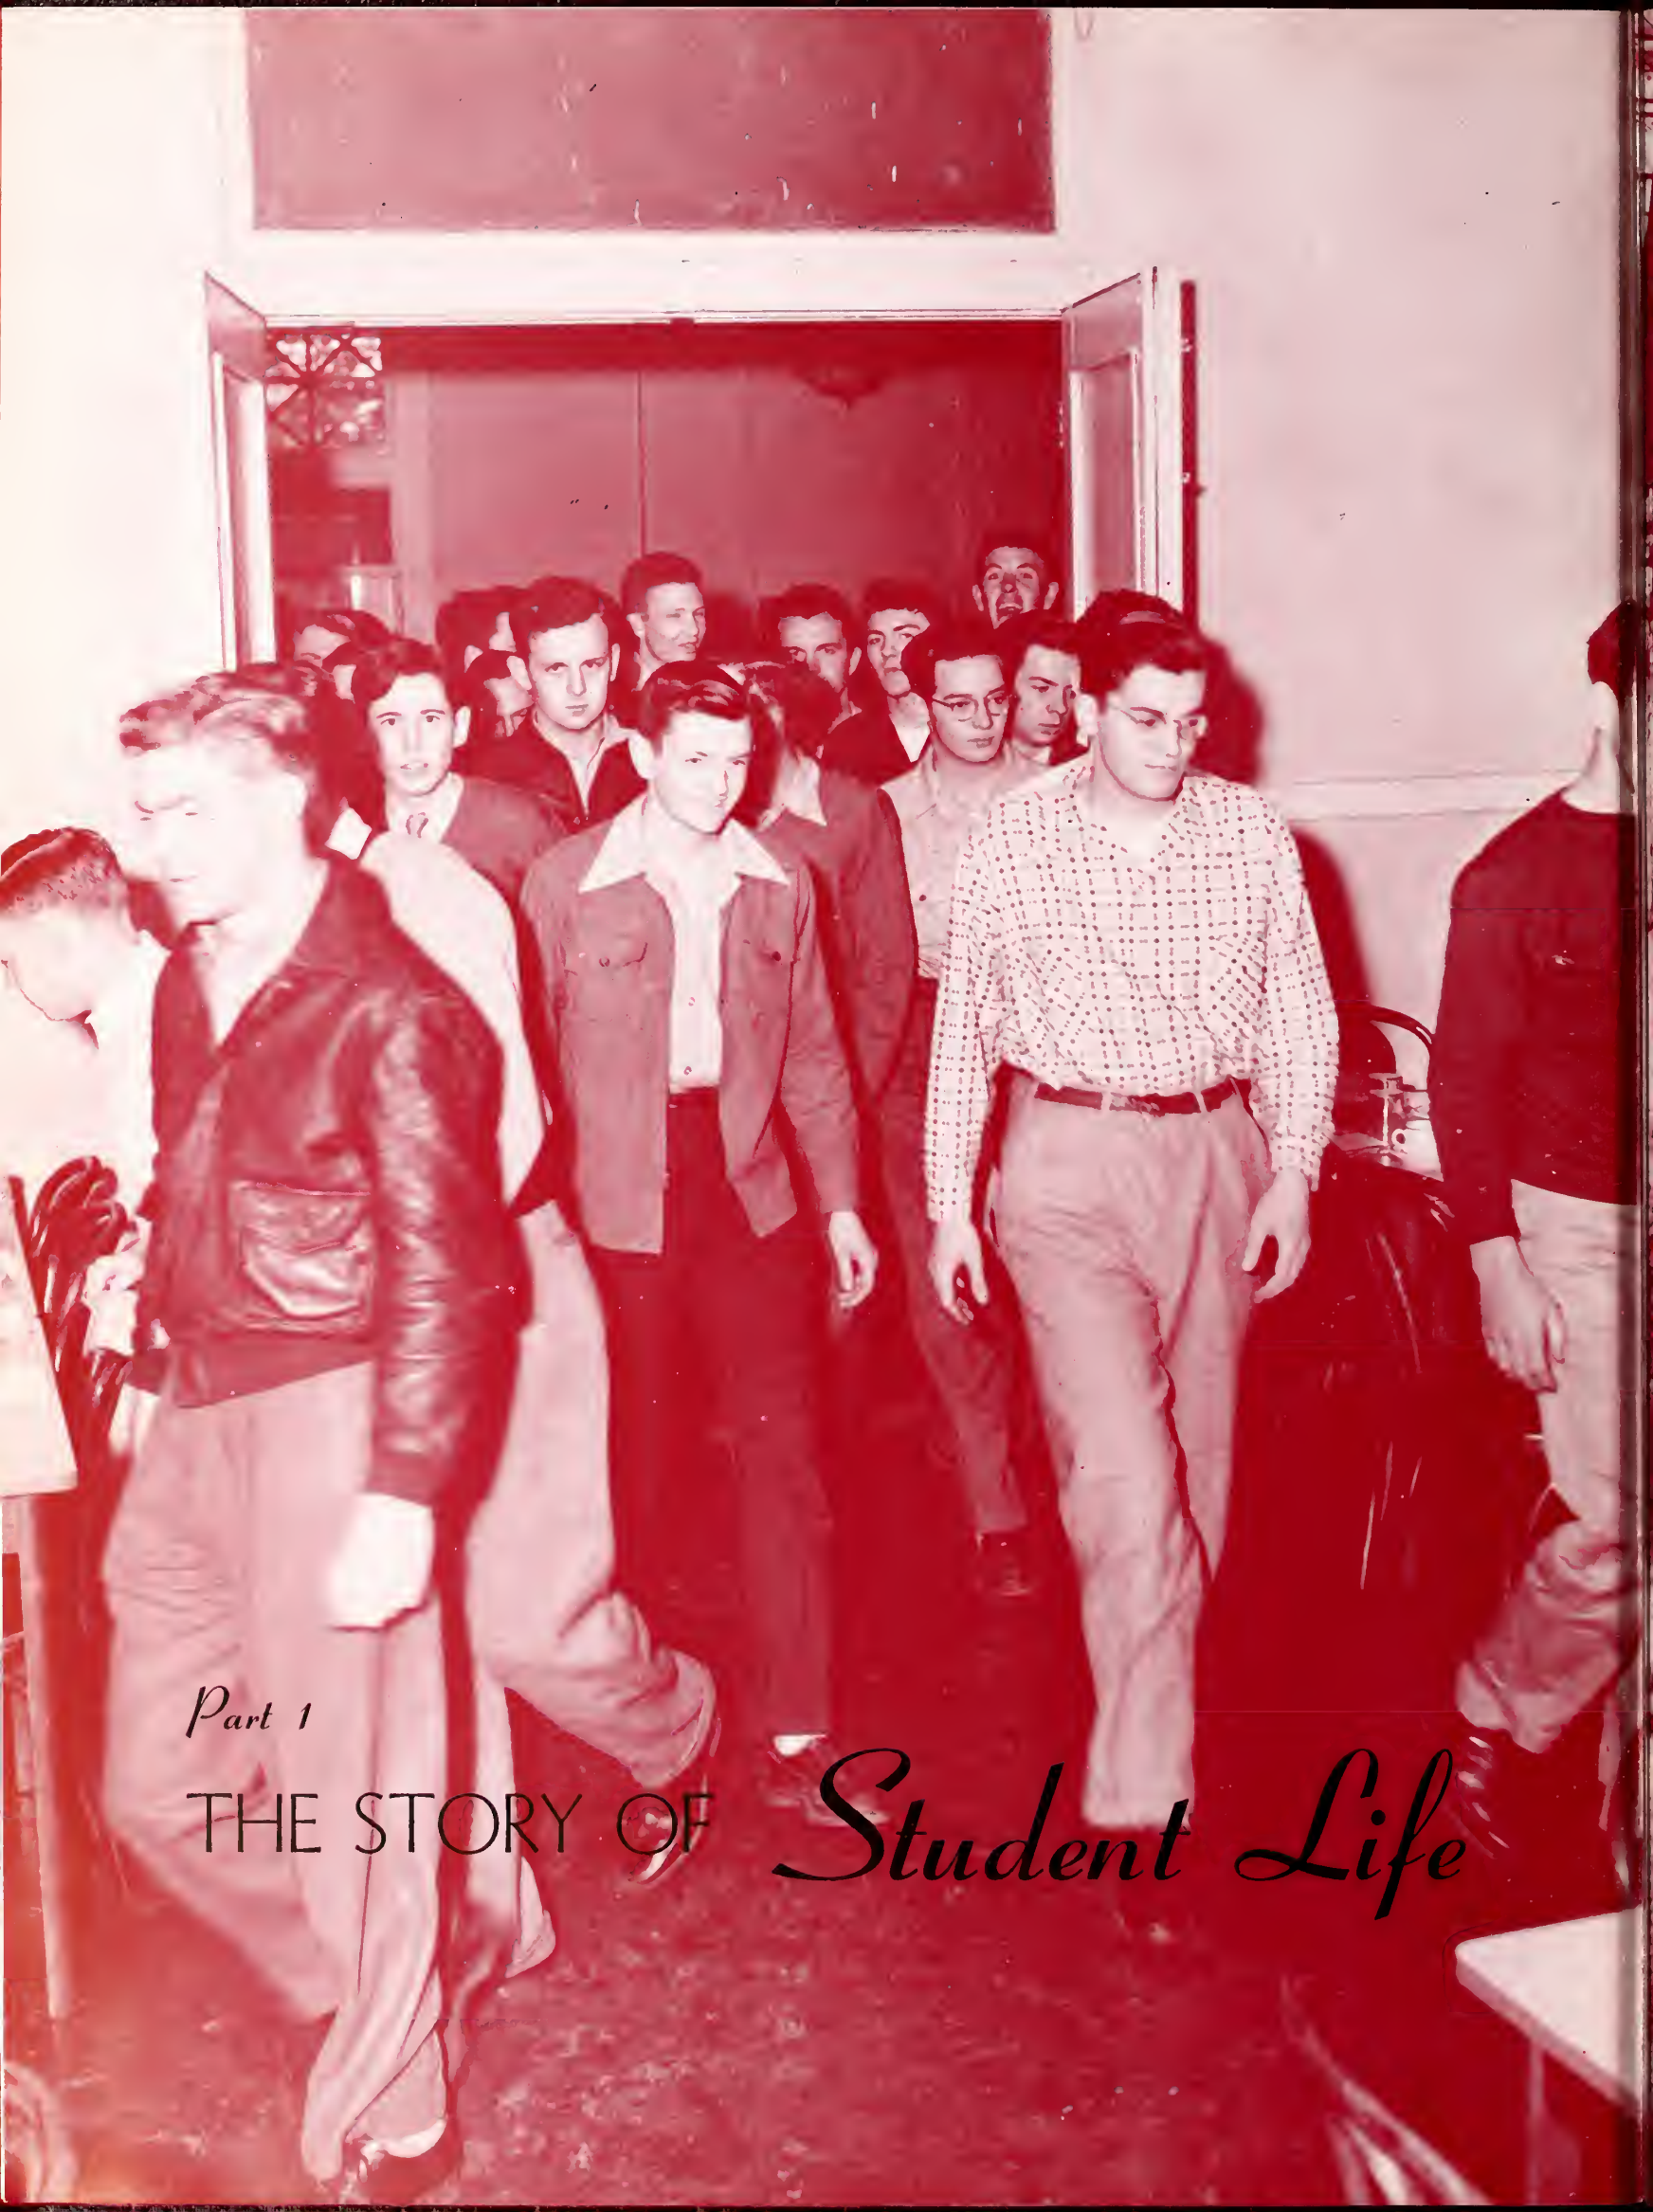

At any rate, HERE IT IS! We hope you like it!!!

HOMECOMING

The biggest weekend of the year got underway Friday, November 5th, with the annual Shirt-Tail Parade. This time it was bigger and better than ever.

The return of the Alumni began Saturday with tours of the campus and buildings. The Alumni Dinner was served at noon, after which some seven thousand spectators watched the Terriers humble the Presbyterians on Snyder Field.

During halftime ceremonies Dr. Greene read a proclamation whereby Miss Adeline Vaughn became the reigning monarch of Wofford College.

The weekend came to a close with a highly successful dance Saturday night.

The duties of the Student-Body Officers are specifically provided for by the new Constitution of the Student-Body of Wofford College and its By-laws.

Among other things, these officers are responsible for the enforcement of the Point-System. These officers are in direct charge of all Student-Body affairs, and are the originators of the Senior Ball, held for the first time this year.

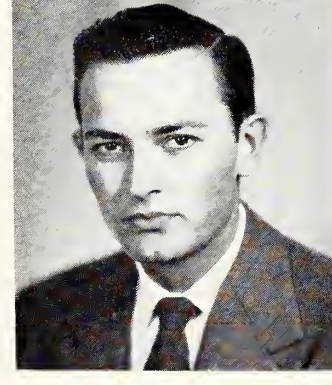

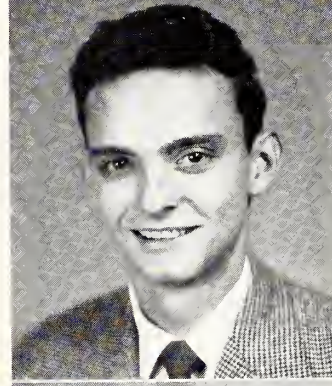

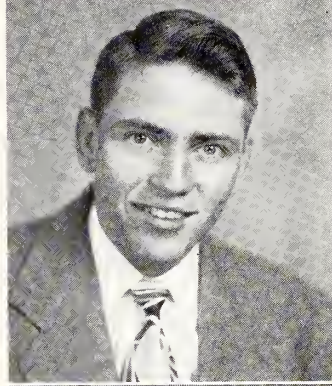

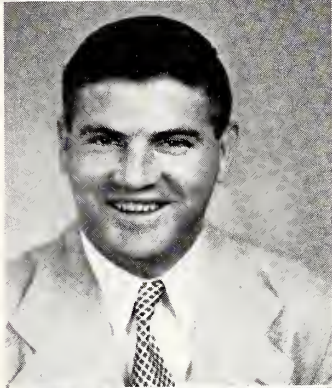

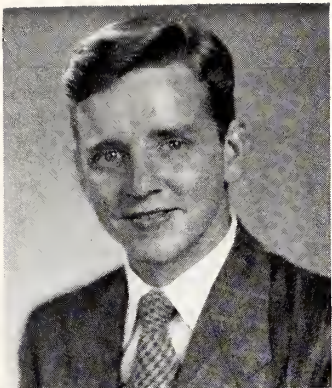

SENIOR CLASS OFFICERS

The Seniors have arrived. After fifteen or more long years of school . . . Wofford's largest graduating class in history . . . they've got the world in their hands . . . life-long dreams suddenly becoming a reality . . . caps and gowns . . . ordering diplomas, invitations . . . the aristocrats of the campus . . . very dignified . . . ready to pitch in and straighten out the world.

Who's Who

Among Students
IN AMERICAN UNIVERSITIES AND COLLEGES
1948-1949

Seven Wofford Seniors and one Junior were selected for inclusion in the 1948-1949 edition of **Who's Who Among Students in American Universities and Colleges**.

The purpose of Who's Who is to serve as an incentive for the student to get the most out of his college career; as a standard of character and scholastic measurement; and as a recommendation to the business world. The students are chosen on the basis of character, scholastic achievement, leadership, extra curricular activities and possibility of future usefulness to business and society.

The purpose of the Senior Order of Gnomes, one of Wofford's many honorary fraternities, is to gather together four of the most prominent and influential members of the Senior Class.

Each succeeding Senior Order of Gnomes is selected by the old Senior Order near the close of the school year.

SOPHOMORE CLASS

OFFICERS

So these are the Sophomores . . . the "wise-men" of the college. At least, they're confident . . . even cocky.

They look down on the rats, but they still respect and envy the Senior. They're beginning to locate "The Rock," "The Zoo" and "The Hill" . . . Freshman forays to "The 'Verse" are just memories now. No worries . . . just exams, classes and pop-tests . . . nothing serious.

THE DEBATE TEAM

SPONSOR

Miss Lois Jean Main

Debating, probably the oldest form of inter-collegiate contests, is of traditional importance at Wofford. It is considered one of the most valuable activities in which a student may engage. It offers training in clear thinking and forceful speaking.

Debating contests are yearly arranged with some of the leading colleges and universities of the nation, in addition to participation in local and regional tourneys.

Left to right, Seated: Jacob Jennings, John Phifer, Covington, Clay Cathey and Robert Stanton. Standing: Malcolm Barnhardt, Sowell, DeLuca and Lee Kernell.

The President

Dr. Greene succeeded Dr. Henry Nelson Snyder as President of Wofford College in 1942. His seven years at Wofford have been years of great progress for the college. The "Wofford of Tomorrow" program has become a reality with campus and building facilities being greatly improved. In recognition of his outstanding accomplishments, he was elected early this year to become the first joint President of Wofford and Columbia Colleges.

The Publications Board

The Publications Board was originally formed in 1935 to control the finances of the Student Publications. The Board makes audits on the books of the publications and acts in an advisory capacity to the staffs of **The Bohemian**, **The Journal** and **The Old Gold and Black**.

During its brief history, the Board has been responsible for reduced costs and improved quality in the publications.

The Board is composed of four members from the faculty and five members from the student body. Thus, the students have the controlling vote.

The Carlisle-Snyder Literary Society represents a merger of three of the four literary societies that once existed at Wofford, the Calhoun Literary Society, founded in 1854; the Carlisle Literary Society and the Snyder Society. Thus the society has served Wofford for some ninety-five years.

The society meets once weekly for programs that include debates, declamations, speeches, forums and floor-discussions. Parliamentary practice is adhered to very strictly.

Every member is encouraged to improve his abilities of clear speaking and forceful thinking on his feet by frequent practice.

SPONSORS

For ninety years the Preston Literary Society has served Wofford students as a means of training in public expression. Membership in the Society is entirely voluntary.

Stress is laid upon individual participation in the programs. It is the aim of the Society that each member be a proficient speaker as a result of the cultivation of his natural talent for self-expression.

The programs consist of essays, orations, debates, round-table discussion of current events, and extemporaneous speeches. Strict parliamentary procedure is followed.

Responding to the national call for more and better teachers in our schools, a group of Wofford students met in December 8, 1948, to organize the Dupre-Herbert Chapter of the Future Teachers of America.

The purpose of the F. T. A. is fourfold:

- To acquaint teachers in training with the history, ethics and theory of the organized teaching profession.
- To interest the best young men and women in education as a life-long career.
- To encourage careful selection of persons admitted to schools which prepare teachers, with emphasis on character and scholarship.
- To seek through the dissemination of information and through the higher standards of preparation to bring teacher supply and demand into a reasonable balance.

Left to right, Seated: Mizzell, Borker, Collins, Tobbott, Conyers, Smith, Schlobohm and Crawford. Standing: Alexander, Shinta, W. C. Smith, Prince, Gosnell, Bollew, Elder, Gregory and Wood.

Delta Phi Alpha was founded by Dr. James A. Chiles at Wofford College in 1929, and today there are more than fifty chapters across the nation.

The aim of the fraternity is to promote the study of German Language, Literature and Culture, and to bring about a better understanding of the German-speaking people.

Advanced students of German with a high scholastic standing are accepted as members.

Under the able direction of Professor Sam Moyer, the Wofford Glee Club has become an integral part of the extra-curricular activities of the college. With a picked group of interested students practicing regularly, the Club annually gains a wide reputation for excellence.

The yearly tour of the club is recognized as one of the most important and satisfactory means of presenting Wofford to the people of South Carolina and neighboring states. The climax of the year for the singers is the final concert in Spartanburg, held in Leonard Auditorium. Friends, well-wishers and music-lovers of the area usually fill the Auditorium to capacity.

THE MUSIC-MAKERS

The Wofford College Band is made up of those students proficient in the use of musical instruments. It renders great service to the extra-curricular activities of the school, representing the College in parades and other performances. Also, it adds color and spirit, via music, to the athletic contests.

The ROTC Band is composed of those band members who are members of the ROTC Unit. They furnish martial music for drill periods and for the annual inspection.

ASSOCIATION

The Student Christian Association, which was first organized in May, 1938, replacing the Y.M.C.A., is the only organization on the campus of which every Wofford man is a member.

The primary purpose of the S. C. A. is "to make religion vital to all students." To accomplish this purpose the Association "seeks to bring students into a closer relationship with God; to lead them to service and membership in the Christian Church; to promote their growth in Christian faith and character; to stimulate interest in religious activities on the campus; to aid young men in an intelligent and purposeful choice of life work; to stand ready to serve the Wofford faculty and students, the Spartanburg people, and the cause of Christ at all times."

The Government of the S. C. A. is vested in four executive officers, who are assisted by the chairmen of the various committees.

This Yearbook is the outgrowth of the bulky scrap-books once kept by students as mementos of their college days. In the process of evolution to the modern annual of today many changes have been made in its composition and effectiveness.

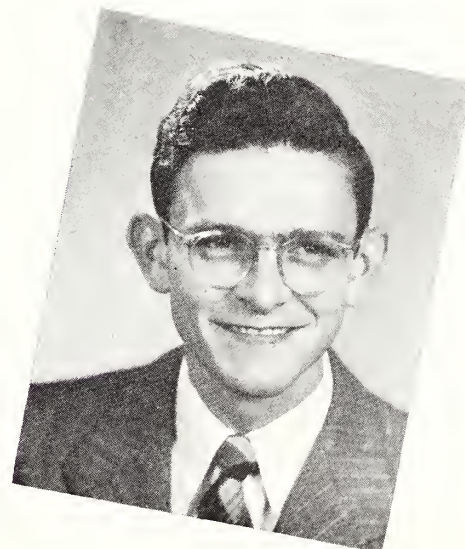

Modern yearbooks with their "themes" and "moods" are losing their place as a memory-book and becoming merely records.

In planning THE BOHEMIAN we have taken what we hope is a slight backward step, a step toward the informal atmosphere that we believe to be so important in a really fine yearbook.

So, in this, the 1949 BOHEMIAN, we have attempted to start a trend back to the original idea. We hope that this BOHEMIAN will be **your** memory-book.

THE RESERVE OFFICERS

Balliett

Lance

The ROTC unit at Wofford College was one of the very first to be activated after the passage of the National Defense Act of 1920. The Unit has been active since its establishment, but operations were on a minor scale during the latter years of World War II.

The primary purpose of the ROTC is to develop and train college students for positions of leadership in the Army of the United States in time of emergency. Wofford has always furnished its full quota of these junior officers. Students who complete Advanced courses are awarded commissions, and either called to active duty or assigned to the inactive reserve.

The Unit possesses the "Blue-Star Award" for excellence, based on the annual inspection of the Corps. It is a unit of high standards, and one of which the College is justly proud.

The Marksmen

The ROTC Rifle Team is another phase of the inter-collegiate sports competition of the college. The team annually fires in shoulder-to-shoulder matches with schools and colleges of this area, and in "mail-order" matches with more distant teams. They also enter the district and national marksmanship contests.

Regular practice sessions are held on the rifle range in the basement of the Recreation Hall. A student does not have to be a member of the ROTC to be a member of the team.

ALPHA SIGMA PHI

Alpha Sigma Phi fraternity was formed at Yale in 1845 by Louis Manigault, a native of Charleston, S. C., who was the originator of the idea and the moving force behind its development.

Since its conception Alpha Sigma Phi has grown rapidly, with chapters throughout the United States. It is now among the ten oldest national fraternities, with 57 active chapters and a total membership of over 18,000.

Beta Phi Chapter at Wofford was formerly Alpha Theta Chapter of Alpha Kappa Pi. The two national fraternities were merged in 1946.

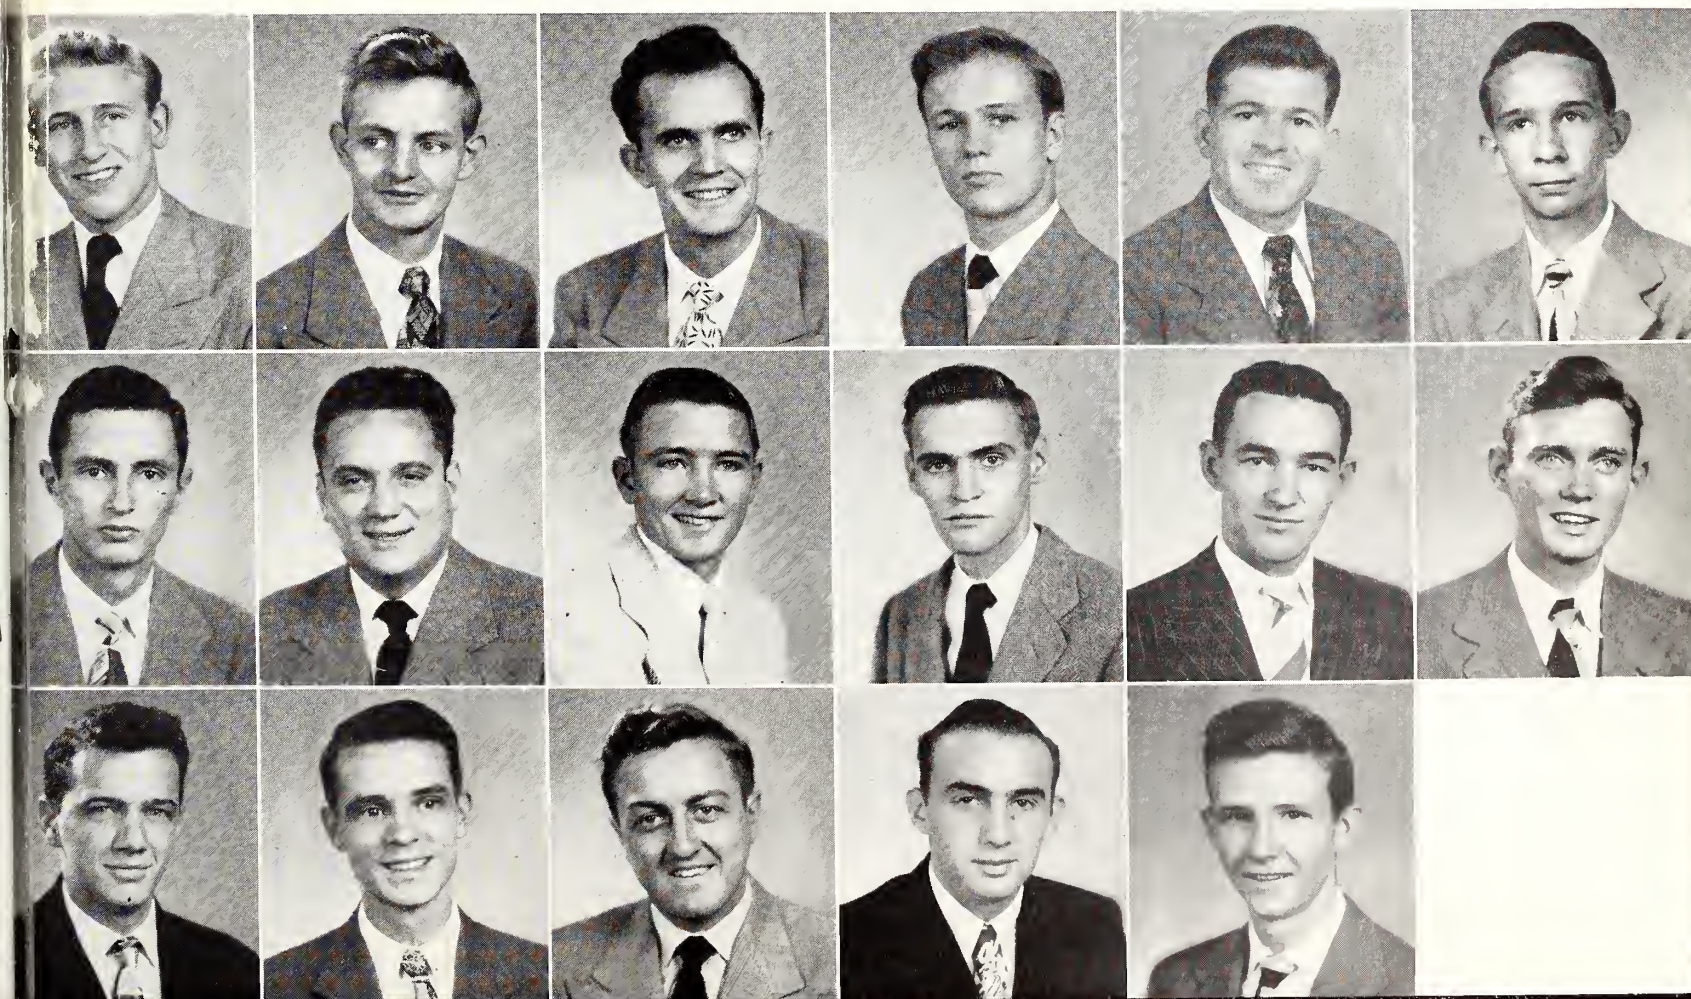

The chapter enjoys many social events throughout the year, including the many informal parties and the Spring Formal.

DELTA SIGMA PHI

Delta Sigma Phi was founded at the College of the City of New York on December 10, 1899. Psi Chapter was established at Wofford College on April 17, 1916 and has been continuously active since that time, except for a brief period during the war years.

The principal social events of Psi Chapter include the Founders Day Banquet, held every December 10, and the Sailors' Ball, which is held in the spring. In addition, the fraternity holds numerous parties and smokers as well as suppers for the members and pledges.

KAPPA ALPHA

Delta Chapter

Kappa Alpha was founded at Washington College (now Washington and Lee) in 1865 with Robert E. Lee as its spiritual founder.

Delta Chapter of Kappa Alpha is the oldest fraternity on the Wofford campus, having been founded in 1869 by a transfer student from Alpha Chapter at Washington College. It is the third oldest of the sixty-seven chapters in the order. Kappa Alpha has more alumni than any other Wofford fraternity, including President Greene, Dr. A. M. DuPre, and Dr. C. E. Cauthen of the Wofford Campus.

K. A. has numerous social functions during the year, the most important being the Robert E. Lee Banquet, held each January nineteenth, and the Farmers' Ball which is given late in the spring.

KAPPA SIGMA

Alpha-Nu Chapter

The traditional founding of Kappa Sigma Fraternity took place in the year 1400 at the University of Bologna. There, nearly 550 years ago, a group of young students organized for protection against the tyranny of Pope John XXIII.

Kappa Sigma's first American chapter was organized at the University of Virginia in 1869. Alpha-Nu chapter was established in 1894.

Today, the fraternity is firmly established in 110 colleges and universities in the United States and Canada.

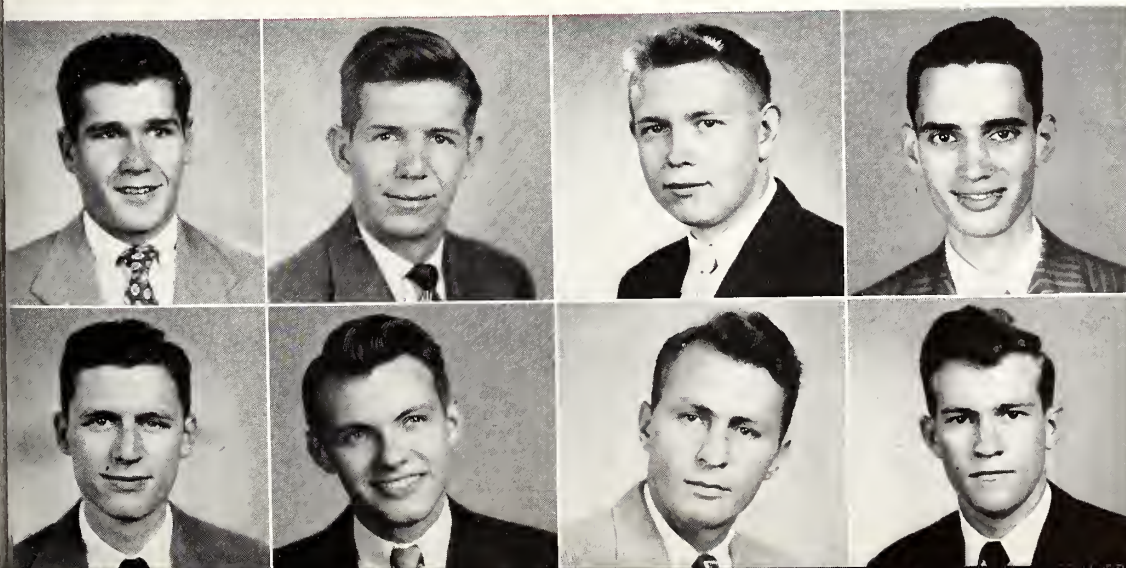

Alpha-Nu sponsors many parties and dances throughout the school year and a house party every summer. The outstanding event of the year is the annual banquet and dance held every February.

ALPHA EPSILON

Sigma Alpha Epsilon was founded by eight scholarly men with Noble Leslie De Votie as the leader in the Old Mansion House at the University of Alabama in 1856.

South Carolina Gamma Chapter was established at Wofford College in 1885.

The national headquarters of the fraternity is in Evanston, Ill.

Weekly meetings are held in the chapter rooms in Archer Hall. Plans are underway whereby the fraternity will occupy a house off the campus.

S. C. Gamma entertains with frequent informal parties, and holds an informal banquet commemorating Founder's Day. Every spring, the alumni sponsor an afternoon tea-dance and an evening formal.

PI GAMMA MU

THE NATIONAL SOCIAL SCIENCE HONOR SOCIETY

The purpose of Pi Gamma Mu is to improve scholarship in the social studies; to inspire social service to humanity by an intelligent approach to the solution of social problems and to supplement and support the existing social science organizations.

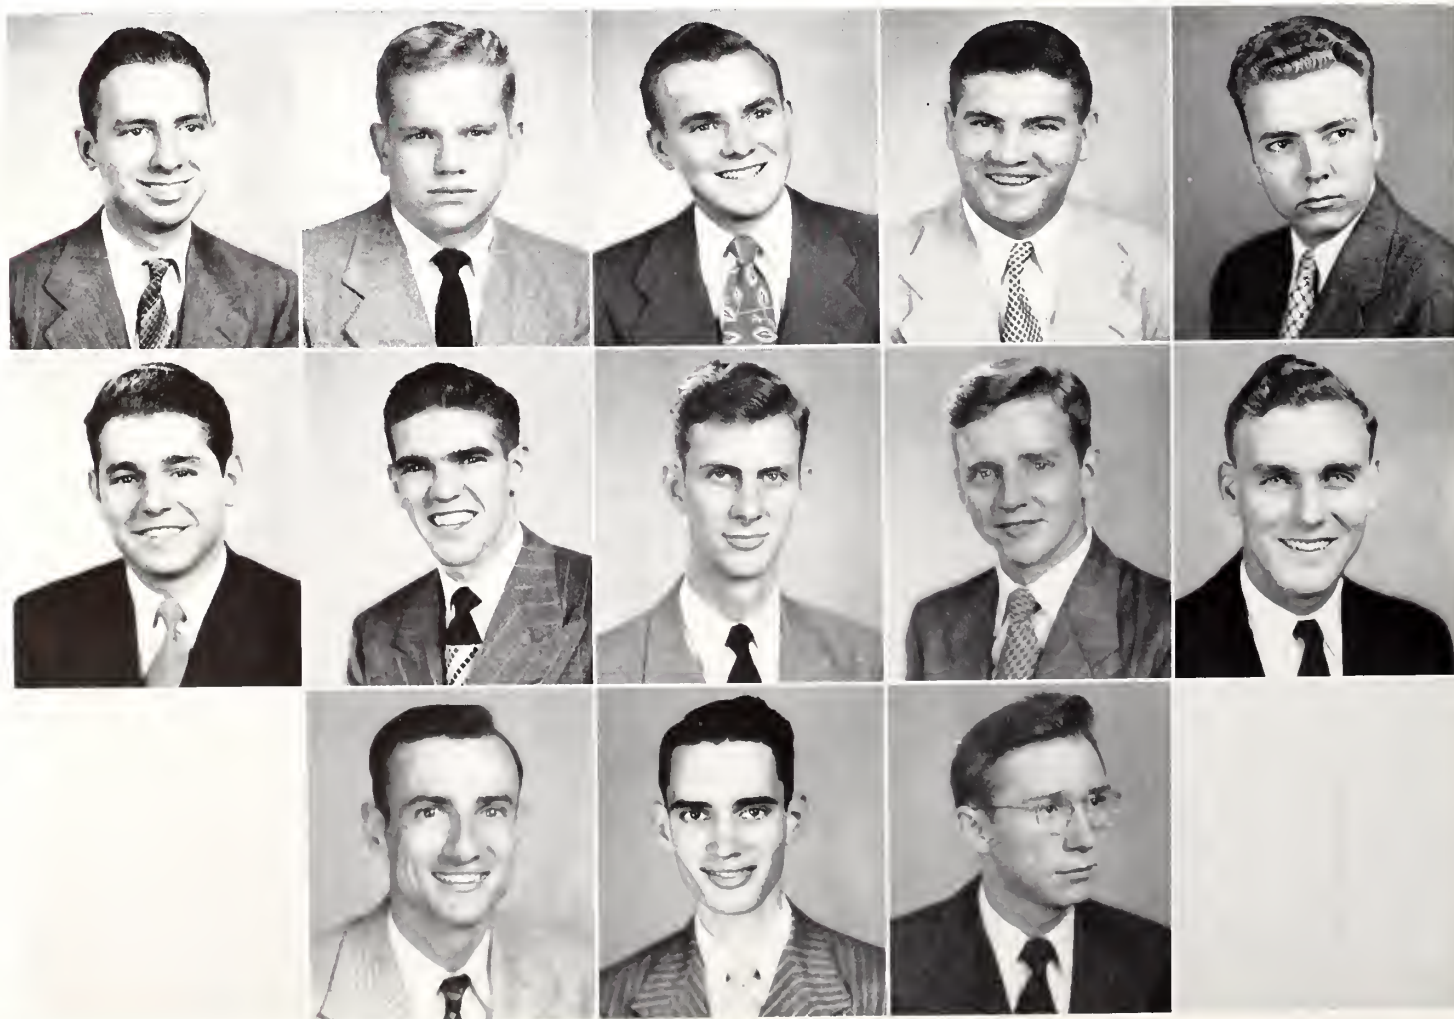

The society was founded at Southwestern College in 1924. It is incorporated as a non-profit corporation under the laws of the State of Colorado.

Students excelling in social science studies and of good character are eligible for membership upon invitation. Membership in Pi Gamma Mu is one of the highest honors that may come to a social science student at Wofford.

The Wofford Dames

The Wofford Dames is the organization of wives of Wofford students. It was founded shortly after the war veterans returned to the campus, many of them with their wives. It is a means by which these wives become acquainted with one another.

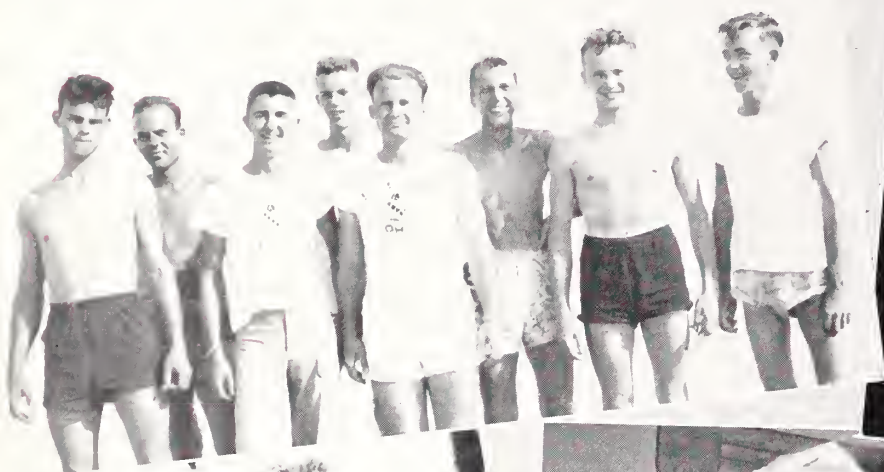

Meetings are held monthly and are either social or business in nature. At business meetings, interesting talks and lectures are heard by the members on such subjects as child-care, landscaping and interior-decorating. Meetings are held in Carlisle Hall, with Miss Anne Neely as hostess.

THE COACHES

The Wofford athletic program has been remarkably successful for the past few years. Probably the best reason for this success has been the excellence of its coaching staff. The "Tennessee System," as installed at Wofford this year, turned the well-known "Sophomore-jinx" from the Terrier team to its unfortunate opponents.

WILLIAM PHILLIP DICKENS, better known as "Phil," is Head Coach and Director of Inter-collegiate Athletics. He is a former University of Tennessee grid star.

WILBUR O. STEVENS coaches the Baseball team and the Football Junior Varsity. He is a former Terrier star.

JOE B. ROBERTSON is Basketball coach, and is in charge of the Football ends. He is a former Terrier floss at center.

CLAYTON STAPLETON, also of the University of Tennessee, is in charge of the forward wall.

DON LINN, a Terrier until 1946, is the team scout. He is attached to the Physical Education Department.

FOOTBALL

Undefeated

For the first time in modern history, the Waffard College Football Terriers went undefeated in 1948. The Terriers fought their way through a nine-game schedule without a loss in spite of the fact that they were rated by the "experts" as distinct underdogs in all but three games.

And it wasn't easy! Many times they fought back from the very brink of defeat to save the game. Last minute touchdowns saved the day in the first game and again in the third. It was a team that would not be defeated.

The "Tennessee System," employing the single-wing, as installed here by Coach Dickens, has been highly successful since the material here has been easily adaptable to that system. Power plays played a great part in the overall strategy with tricky end-around and quick passes keeping the opposing team confused.

But most of all, the 1948 Terriers were a defensive team, playing best with their backs to the wall, or with time slipping away. In a season of offensive football, they were never scared upon more than once per game.

Goal to go!

Touchdown at Randolph-Macon!

CLARY

MOYER

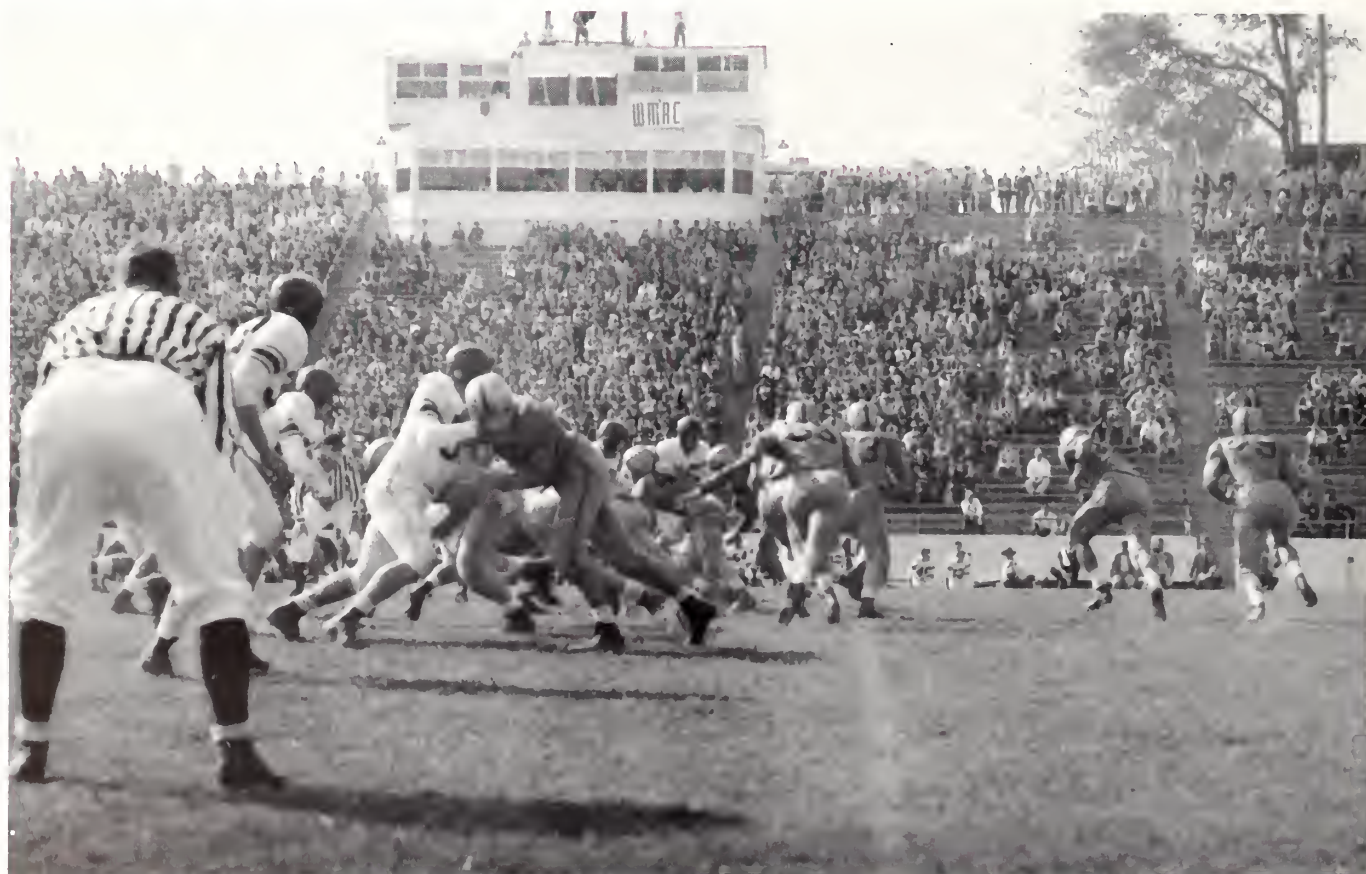

PREVATTE

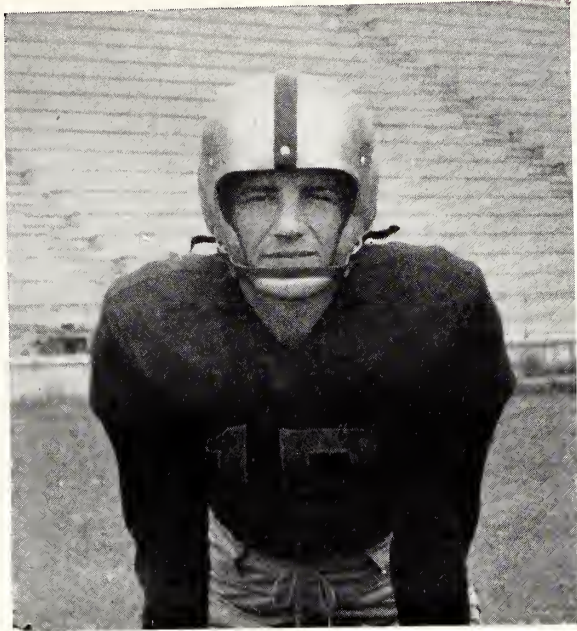

JIM CLARY, a standout at guard for the Terriers, captained the squad throughout the 1948 season. He was honored by post-season selection to the All-State team, and the second team Little All-American.

HARVEY MOYER was a strong man in the pivot spot of the line on offense and a terrific line-backer on defense. He was voted the "Most Voluable" by his teammates.

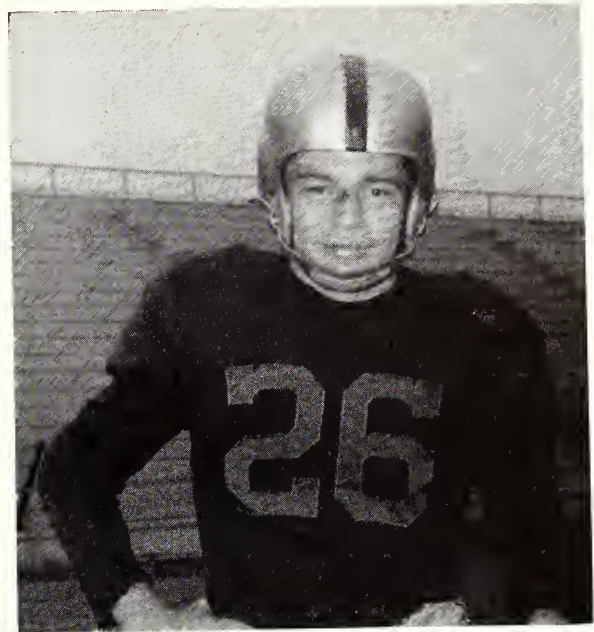

BOB PREVATTE excelled as the blocking back and as a vicious tackler on defense. His fellow players elected him as the "best blocker."

5 TIES

A New National Record . . .

The five consecutive tie-games played by the Terriers at the opening of the season is generally recognized as a new record. The Terriers were, of course, out to win but couldn't make enough scores to win until the Newberry game.

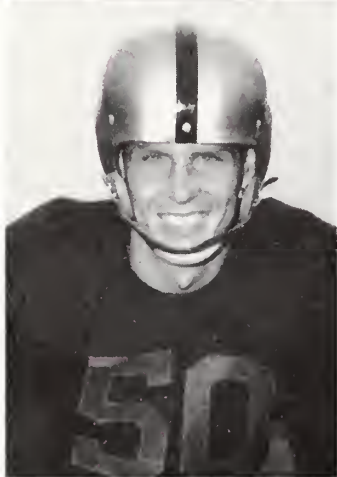

The first five games:

Hompden-Sydney 6	Wofford 6
Northwestern State 0	Wafford 0
Catawba 7	Wofford 7
Furman 7	Wofford 7
Davidson 7	Wofford 7

Hampden-Sydney 6 Waffard 6

Well-matched teams faught it out to a tie on Snider field as Waffard came fram behind with less than two minutes remaining. Starnes set the scare up with a series of passes. Claba plunged over the double-stripes on a line buck. Quick failed to convert.

Northwestern State 0 Waffard 0

An excellent game saw both teams excel an defense. Frequent goal-line stands added to the excitement. Outstanding far the Terriers were Clary, Hammet, Creech and Mayer.

Catawba 7 Waffard 7

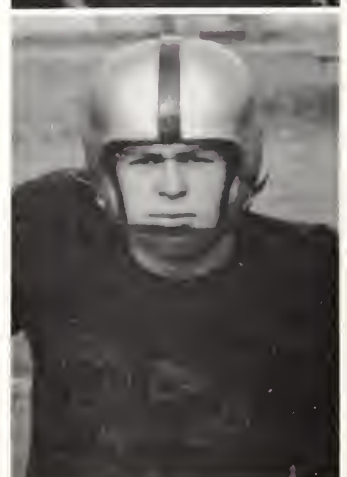

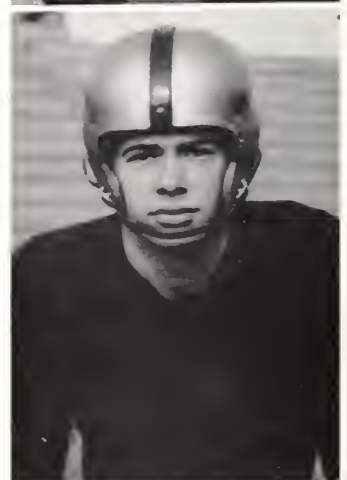

Again the Terriers came fram behind, this time with only seconds remaining as Sewell sliced off-tackle far the only Waffard touchdown. Quick converted.

Furman 7 Waffard 7

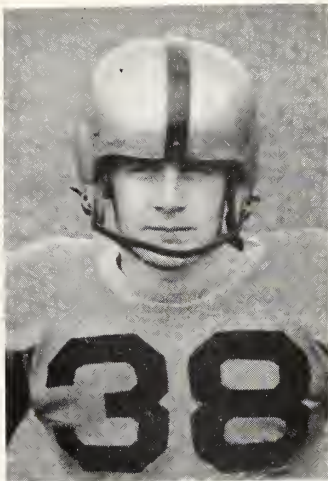

At Greenville to renew the rivalry, the Terriers jumped into the lead in the third quarter as Sewell went 54 yards through the entire Furman team far the tally. Furman tied the scare in the final period on a disputed fourth down play.

Davidson 7 Waffard 7

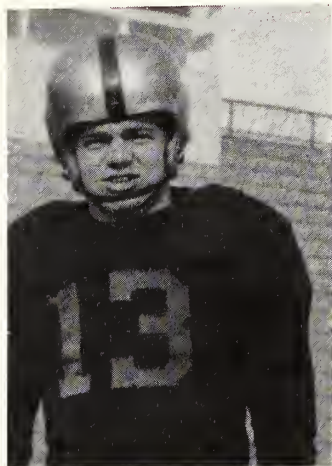

Meeting highly favared Davidson, Waffard went on to its fifth consecutive tie. Highlighting play was Laveday's expert snaring of short passes. Once again Claba plunged over far the scare. Quick kicked the extra point.

Newberry 0 Wofford 12

After a slow start, the team found its bearings and went on to an easy victory in spite of costly penalties. In the backfield, fullbacks Clobo and Rowell starred along with Sewell, who made one of the tallies. Junior Harrison scooted 60 yards for the other score.

Presbyterian College 6 Wofford 15

Homecoming Day at Snider field saw the Terriers jump in the lead of their Little Four rivals and hold it throughout the game. Harrison scored on a pass from Sewell.

Later, Rowell intercepted a P. C. pass and galloped 25 yards to the end zone for another score. Quick made the extra point. Kovounis added the insurance points as he covered a blocked P. C. kick in the end zone.

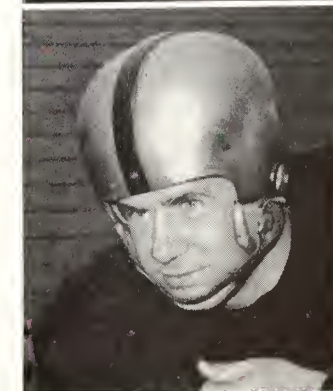

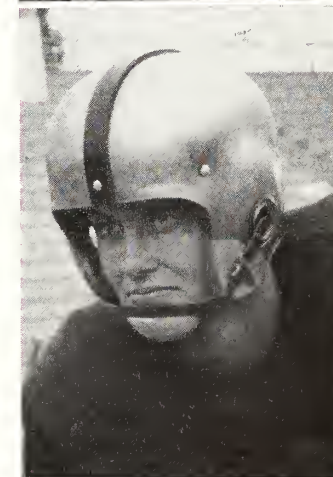

Tennessee Tech 6 Wofford 8

The Terriers went against one of their toughest opponents of the year at Cookville, Tenn. Both teams were great on defense, giving up little ground.

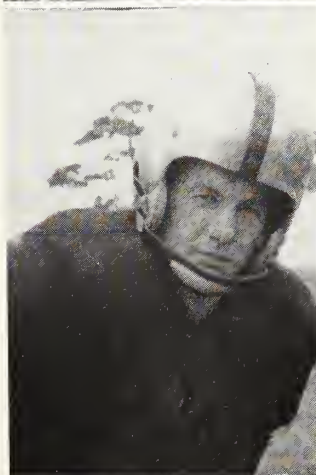

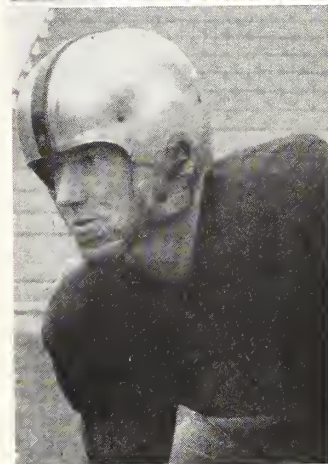

Blakely scored on an end-around, but Quick missed the extra point. Once again Kovounis saved the day by covering another blocked kick, this time in the Tennessee end zone, for two points.

Randolph-Mocon 6 Wofford 40

For the first time this year the team broke completely loose as an offensive unit, scoring almost at will. Every Terrier making the trip saw action in the game. Among the scorers were Sewell, Wiles, Glenn, Hoffmeister, Harrison and Clobo. Quick kicked five extra points.

BASKETBALL

Looking at the number of wins and losses, the 1948-1949 season on the hardwoods was perhaps not the best ever experienced by the Terriers.

And yet, the year produced probably more thrills per minute than more successful seasons. The Terriers were always near the top teams of the state, but in a year of good basketball teams few games were to be considered pushovers.

It was a fighting team that scored nine points with less than three minutes remaining to get sweet revenge on Furman in the final game of the year.

The Terriers won eleven and lost eight games during the season, to earn runner-up honors in the state all-games-played race. In other categories the Terriers were near the top. It was a team to be reckoned with, especially on the home court where only Clemson and Mercer were able to win. Clemson possessed a mere two-point margin.

The highest-scoring game was against Furman where the Terriers scored 81 points only to lose in the second overtime period.

ON THE DIAMOND

1949 TERRIERS

"Hoss" Mullinax

Wofford's Baseball team is in the making as this is written. Many veteran returnees are again with the team, which posted a 9-8 record last season. Among these returnees will be Howard Harvey, beginning his fourth year as a front line tosser; Bob Cannon, another twirler of promise; infielders Phil Clark and O'Neal Casey; and outfielders "Hoss" Mullinax, Allen Clark, and Delmar Wiles.

Charley Jordon, stellar catcher from last year, will be back scrapping for his old position.

Another backstop who promises to bolster the Terrier diamond aggregation is Otis Mabry, of Spartanburg Junior College fame. Vernon Tarlton, from Tar-Heel land, is heralded as a hot prospect for regular chores from the pitching mound.

INTRAMURAL SPORTS

Coaches Sheerer and Linn

One objective of the Intramural Department has been to acquire space and develop fields so that every student in Wofford College would have the opportunity to compete in some form of competitive sports. To teach sportsmanship, fair play and respect for the will of others is the goal of this department.

Through practice a man develops a fondness for sports which gives him courage and provides him with fitness of body and creates a sports habit which carries over and serves in later

life as a wholesome recreation for his leisure time. The student who takes full advantage of the opportunities provided in this program will have not only a decided health benefit, but will have vital improvement in his mental well-being.

Special Tribute to
MISS ELLEN ANN PAXTON
for Joe Paxton
Bohemian Staff Photographer

Acknowledgements

I am obligated to all those who had a part in the production of this, *The 1949 BOHEMIAN*.

I am especially indebted to *Mr. Johnny Long* of Bowen, Long & Young, Inc., and *Mr. Walt Dargan* of the Photo-Process Engraving Co. for their many ideas and suggestions. Their long experience in the production of college yearbooks enabled us to avoid many unseen pitfalls.

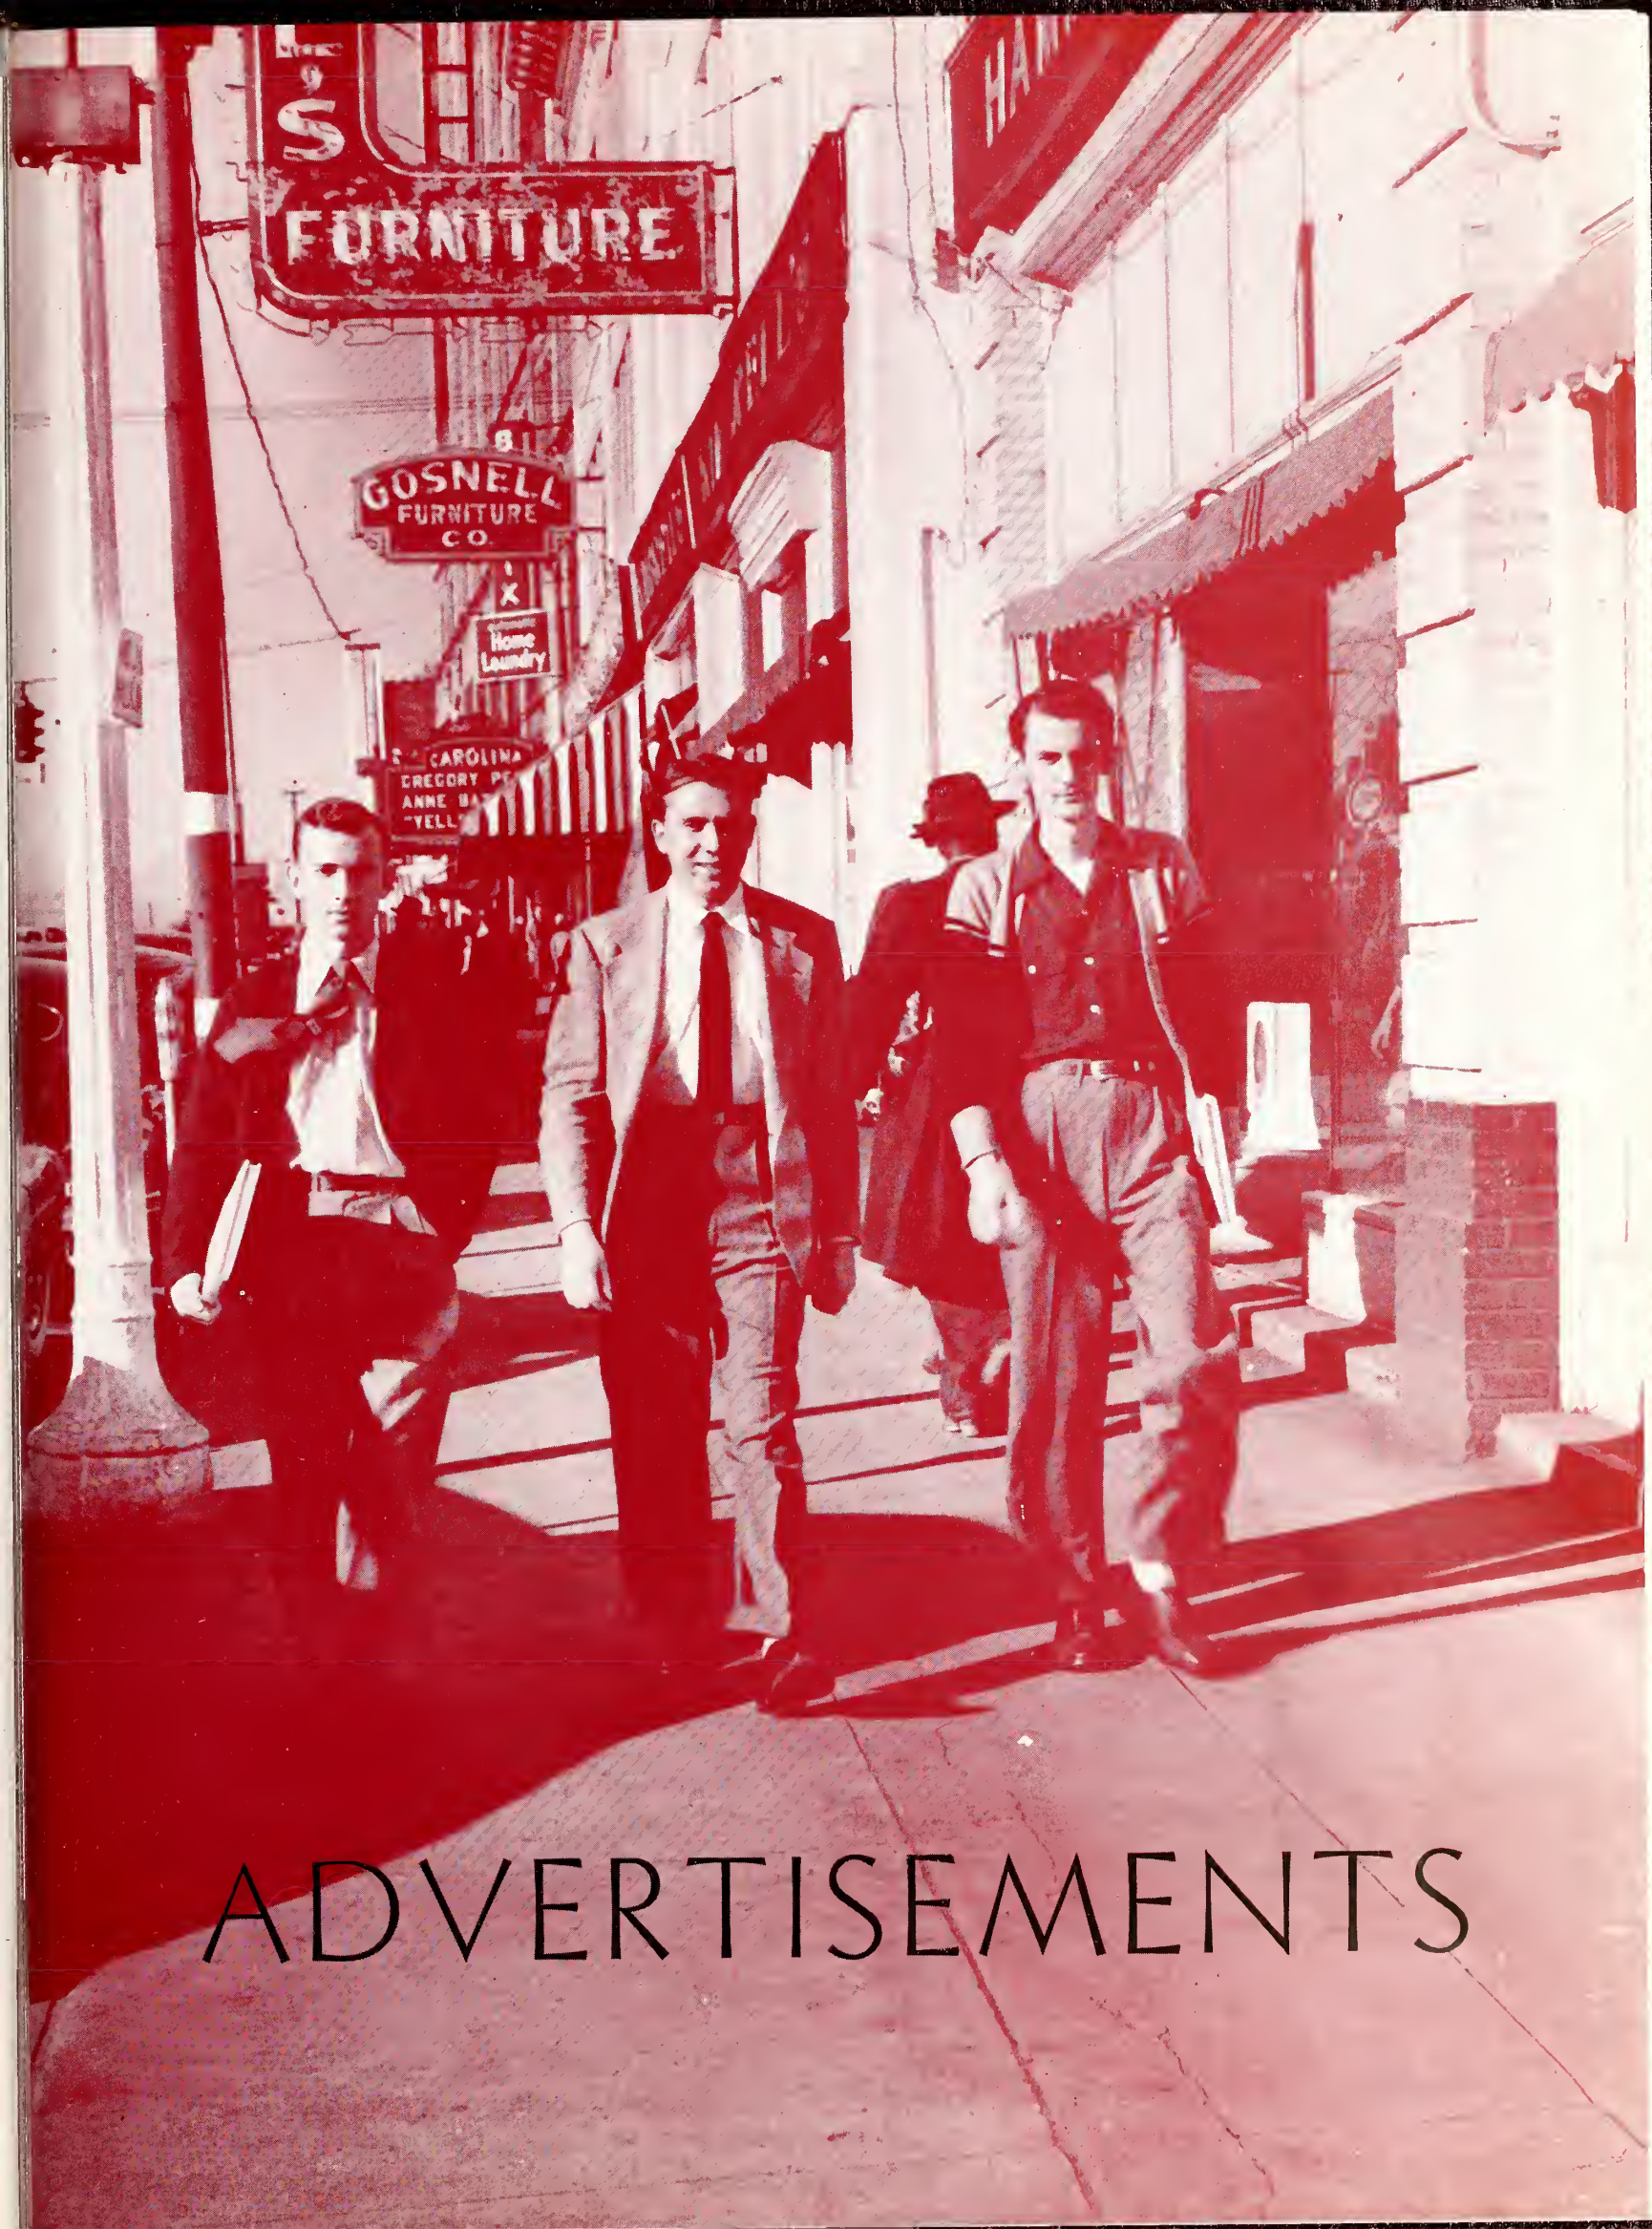

Also contributing services were *Mr. Carl May* of "The Spartanburg Herald-Journal," who contributed several sports photographs; *Professor L. L. Dunlap* who supplied the kodachrome picture of the Main Building and *Professor George Whitaker* who has been of much support, both moral and otherwise.

Thanks are also due to *Mr. Robert H. Willis* and *Mrs. Lola Hart* of Willis Studios for their cooperation in all photographic details . . . to *Carl Clary*, *Franklin Carmichael*, *Tommy Ford*, *John Cornelison* and next-year's editor, *Jacob Jennings*, for editorial assistance.

To staff photographer *Joe Paxton* I am indebted for favors too numerous to mention, AND TO ALL WHO ASSISTED IN ANY WAY. IN THE PRODUCTION OF *The 1948 BOHEMIAN*, I EXPRESS MY DEEPEST APPRECIATION.

WALLACE M. WRIGHT, *Editor*.

The background of the entire page is a black and white photograph. It depicts a dramatic sky filled with large, bright, puffy clouds. In the foreground, there are dark silhouettes of trees on both the left and right sides. In the center foreground, a man and a woman are standing and holding hands, their forms also in silhouette. To the right of the couple, there is a silhouette of a tree and a building with a small dome or cupola. The overall mood is romantic and elegant.
